STORY & INSPIRATION

Inspired by the embodiment of the Seven Balinese Goddesses, Merusaka Nusa Dua designed Merusaka Spa to encapsulate the essences and values of the Seven Goddesses into a series of complete treatments.

Dewi in Indonesian language means goddess or a woman who has divine power. Hence, with this in mind, Merusaka Spa integrates a Balinese approach to wellness and meticulously develops treatments that are administered by a team of skilled therapists to provide the utmost relaxation.

Spa Etiquette

At Merusaka Spa, the health and wellbeing of our guests and employees are our top priorities. Hence, to ensure this, the hotel has adopted precautionary measures, with strict cleanliness, health and safety standards as advised and certified by the local authority.

Arrival time

Please arrive at least 15 minutes prior to your appointment time. Arriving late may affect the duration of your treatment.

Health Consideration

For your health and comfort, please advise upon booking of any allergies, ailments, or disabilities, especially if you have high blood pressure or are pregnant, as several treatments may not be recommended for you at this time. We also encourage you to shower prior to your treatment.

Spa Reservation

It is highly recommended that you reserve your treatments in advance to secure a time that best suits to your schedule.

Cancellations

A minimum of four hours' notice for cancellations or changes of appointment is required to avoid being charged 50% of the listed price. In the event of a no-show, you will be charged the full amount of your reservation.

Gift Certificate

Give the gift of comfort and wellness to your loved ones. Gift certificates for spa treatments are available for purchase at the Merusaka Spa Reception.

ENHANCEMENT

FOOT MASSAGE

30/60 MINUTES

A rewarding treatment that positively impacts your entire body. Performed using the hands, foot massage effectively stimulates the reflex areas in the foot, helping to relax the whole body, and leaving you with a rejuvenated energy to bring to your day.

MANICURE OR PEDICURE

75/75 MINUTES

Clean and well maintained hands and legs make a great impression of a well-groomed appearance. This treatment focuses on enhancing the appearance of hands or legs as well as promoting the greater health of fingers, fingernails, toes, and toenails. The treatment includes light massages, cuticle treatment, exfoliation, buffing, and grooming of the nails with the application of nail polish.

BODY SCRUB/BODY MASK

60 MINUTES

This treatment incorporates gentle pressure point massages with deep exfoliation for an indulgent treatment that will revitalize the skin. It will remove impurities from the pores with a selection of herbal scrubs, leaving the skin feeling velvety smooth and looking radiant.

REPLENISH FACIAL TREATMENT

60 MINUTES

A deeply nourishing facial treatment to dramatically improve the absorption of nutrients into the skin. This treatment helps to restore vital moisture and essential fatty acids, leaving skin feeling plump, radiant, and soothed. This treatment helps to restore vital moisture and essential fatty acids, leaving skin feeling plump, radiant, and soothed.

BODY MASSAGE

TRADITIONAL BALINESE BODY MASSAGE

60/90 MINUTES

This treatment is crafted to pamper the body, mind, and spirits. The palm stroke movement of traditional Balinese massage employs age-old techniques including stretching, long strokes, kneading, and firm applications of pressure to release tension and enhance the flexibility by incorporating aromatic massage oil.

MARMA WARM OIL MASSAGE

60/90 MINUTES

An ancient therapy that combines pressure to specific marma (vital) points all over the body and yogic stretches of all joints. It is designed to help the body get rid of toxins as soon as possible. During the treatment, the therapist applies warm oil to apply pressure at certain points on the body for a relaxing and nourishing massage.

TENSION RELIEF MASSAGE

60/90 MINUTES

This treatment focuses on the neck, shoulder, and head, along with the lower back and spine areas. As the most common type of bodywork performed today, one of the primary goals of the tension relief technique is to relax the entire body. This is accomplished by rubbing the muscles with long, gliding strokes in the direction of blood returning to the heart, bringing utmost relaxation.

DEEP TISSUE MASSAGE

60/90 MINUTES

A type of massage therapy that focuses on realigning deeper layers of muscles and connective tissue surrounding muscles with firm pressure and slow strokes to reach deeper layers of muscle and fascia. It is especially helpful for chronic aches and pains and contracted areas such as stiff neck and upper back, low back pain, leg muscle tightness, and sore shoulders.

HERBAL POULTICE MASSAGE

60/90 MINUTES

Using a warm herbal compress filled with organic herbs, this treatment relieves muscle tension and soreness in two ways: from the steam and the physical heat of the poultice and from the therapeutic warmth of the herbal oils. The herbal poultice is pressed and rolled with a variety of specialized techniques. The heat, combined with the herbs, is absorbed by the body and helps to reduce aches and pains, increase lymphatic drainage, and condition the skin.

ASIAN HEAD MASSAGE

60 MINUTES

A relaxing holistic treatment that uses acupressure massage to release stress that has accumulated in the tissues, muscles, and joints of the head, face, neck, and shoulders. It aims to rebalance your body's energies. The combination of herbal poultice application around the shoulder and the head is believed to release the muscle tension and stress away.

BACK MASSAGE

30 MINUTES

This treatment focuses on the neck, shoulder, along with lower back, and spine areas to increase blood flow to the skin and muscles. It helps ease pain and stiffness.
